**FOUNDED IN 2007, THE WORLD SCHOLAR'S CUP** brings together over 30,000 students in 70 countries every year.

Now, we are pleased to invite you to our next event in Mauritius—generously hosted by the Imperial College. You'll have the chance to write, debate, answer questions, and feel confused, alongside fellow first-time scholars from all across Mauritius and beyond.

Join us for the alpacas.

Join us to learn new things.

Join us to perform in the talent show.

Join us to try to reach the finals at Yale.

But most of all, join us because the program is more than a competition: it's a community, one in which we can all be awkward together in over 30,000 different ways.

Of course, there are medals and trophies too.
